

## Central Staff Responsibility: Assignment to Schools offering Service Delivery Models

A central team assigns students to schools that offer the service delivery model identified by the IEP team. Parents may indicate a preference using the [Parent Preference Form](#) for a school site offering the service delivery model identify by the IEP team as appropriate for meeting the student's needs.

THIS FORM MUST BE RETURNED TO YOUR STUDENT'S TEACHER BY **MONDAY, February 26<sup>th</sup>, 2007.**

Assignment is based on (a) distance of the school from home address, (b) capacity of the program, and (c) a sibling preference, as appropriate.

## Program Inventory: Becoming Familiar with Where Service Delivery Models are Offered

As part of the riser process, you may want to visit schools in your cluster.

that provide the service delivery model your IEP team is considering. Click here to see a district map that will help you identify your cluster. [District map](#)  
Once you have identified your cluster, you can click on our program inventory to learn which buildings in your cluster that provide that model. Below are three information sources: a) breakdown of elementary service delivery models by clusters and buildings, (b) breakdown of secondary service delivery models by clusters and buildings, and (c) inventory of all buildings and the service delivery models they provide.
